

MID-ATLANTIC VALUATION GROUP 2011 GOLF LEAGUE

You are invited to join the *MID-ATLANTIC VALUATION GROUP GOLF LEAGUE* resuming in April 2011 at Cool Creek Golf Club in Wrightsville, PA. This amateur league is designed to bring commercial real estate professionals together to create, build and maintain good working relationships while having fun. Eligible professionals include brokers, agents, lenders/bankers, investors, developers, builders, consultants, attorneys, engineers or any other professional involved with commercial real estate. **Participation will be limited to the first 40 paid registrants.**

The league runs from April 12 through September 13. We play nine holes each Tuesday evening. At the end of the season, the golfer with the lowest average net score earns the title of "League Champion" and is awarded a traveling trophy. To be eligible this award, you must complete 75% of the league rounds (rain-outs excluded). Additionally, each golfer earns points during each round golfed (as described in the league rules attachment). Monetary prizes are awarded to the top six point earners at the end of the season (regardless of the number of rounds completed). There are also monetary prizes for weekly challenges such as such as longest drive, closest to the pin, lowest number of putts and lowest net score, as well as several "team" contests. All monetary prizes will be awarded at the end of the season. All monetary prizes come from the annual league fees collected. Additionally, Brewery Products has again generously agreed to sponsor our league with a weekly contest prize.

This league does not require substitute golfers. However, you only earn points when you play.

General Information:

League Fee	\$30.00 (annually), to be paid with registration		
Course Fee	\$20.00 to walk or ride (paid at the course, weekly)
