MID-ATLANTIC VALUATION GROUP
2022 GOLF LEAGUE

You are invited to join the ***MID-ATLANTIC VALUATION GROUP GOLF LEAGUE*** resuming in April 2022 at Cool Creek Golf Club in Wrightsville, PA. This amateur league is designed to bring commercial real estate professionals together to create, build and maintain good working relationships while having fun. Eligible professionals include brokers, agents, lenders/bankers, investors, developers, builders, consultants, attorneys, engineers or any other professional involved with commercial real estate.

The league plays nine holes each Tuesday evening from April 5 through September 13. Monetary prizes will be awarded to the league champion, the top six players in the final point standings and to weekly contest winners. Weekly challenges include contests such as such as longest drive, closest to the pin, lowest number of putts and lowest net score, as well as several "team" contests. All monetary prizes will be awarded at the end of the season.

This league does not utilize substitute golfers. Participants golf when possible, but only earn standing points when they play.

Please note that weekly play will be limited to 32 players (which will be determined on a priority basis – see the league rules page for details).
